

## **ABC Recycling**

Powered by Metal  
Guided by Inner Strength, Since 1912

### **Truck Driver – Class 1 Terrace, BC**

Our Driver will operate our trucks hauling scrap metal to and from different locations to ABC Terrace. Occasionally, Driver may need to haul material to and from other ABC locations and partner companies.

The ideal candidate will have clean driving record along with experience operating dump truck, roll-off, A/B Train and end dumps. The ability to complete logs and reports and carry out the instructions is also essential.

#### **RESPONSIBILITIES**

- Perform the pre/post-trip inspections of the vehicle assigned to drive
- Communicate with customers in a professional manner
- Carry out general safety practices of a commercial driver
- Follow guidelines for safe load securement
- Carry out instructions from Dispatch in a timely and professional manner

#### **QUALIFICATIONS**

- Must have valid Class 1 License
- Preferably 3-4 years' experience
- Experience with long haul trips
- Experience with self-loading cranes or Hiab is a definite asset

#### **IMPORTANT**

We frequently operate on and service federally regulated customers that require regular and random drug and alcohol screening (including suppliers and contractors). As such, you will also be subject to an initial and then ongoing random drug and alcohol screening as a condition of your employment.

#### **TO APPLY**

Please email your resume together with a cover letter and a copy of your driver's abstract to [hr@abcrecycling.com](mailto:hr@abcrecycling.com). Please put "Truck Driver - Terrace" in the subject line of the email.

Alternatively, contact 1-800-880-6488 to speak with the HR department.

We are an equal opportunity employer and thank you for your interest. Only candidates selected for an interview will be contacted.
