## ABC Recycling inducted into the Burnaby Business Hall of Fame

Earlier this month family-owned and operated ABC Recycling became the 2013 inductee into the Burnaby Business Hall of Fame. The prestigious award is given annually by the City of Burnaby and the Burnaby Board of Trade (BBOT) to a widely recognized business that has demonstrated outstanding success over many years, and had a positive and significant impact on the community.

ABC Recycling is a Canadian family enterprise with a 101-year heritage of serving and supporting communities and the environment, through the recovery, processing and recycling of scrap metal. With eight locations, more than 200 employees across British Columbia and Alberta and a far-reaching network of strategic partnerships, ABC serves customers throughout Western Canada and around the world.

"To be recognized in our home town is such an honour," said CEO David Yochlowitz. "We are so proud to have grown our business
