

ABC Recycling Ltd. is seeking a hard working individual to a pool of part time labourers sorting and grading metals at our various facilities. These labourers will be offered full time opportunities as they arise with our rapidly growing company.

We are looking for safety conscious individuals that are both self-starting problem solvers and cooperative by nature. You must be comfortable in a fast-paced industrial operation and can embrace changing work situations. Candidates must be willing to learn and grow. Forklift and skid-steer loader experience is helpful, but full training is provided.

What makes a good company great? At ABC Recycling we know it's quite simply our people. We have built many long-standing relationships and careers by treating our employees like family. To find out more about what makes ABC a great place to work, please visit other areas of this website.

We offer a competitive wages with true job security, an excellent benefits package, a pension plan, life insurance, educational support, profit sharing and a superb social network of fun and activities.

To apply, please email your resume to [hr@abcrecycling.com](mailto:hr@abcrecycling.com). Please specify the position you are applying for as the subject line of your email.
